September 17, 1982

These documents will be used in connection with our review involving the captioned subject.

The PM, SEPB and reviewers have the copies needed for their efforts. The attached copies are to be distributed as follows:

- Docket File
- NRC PDR
- Local PDR
- NSIC
- ACRS (1)
- NRC Region

Other individuals who normally receive these types of documents can be notified of their availability by the "RIDS" sheet and by copy of this memorandum.

These reports have been filed with the Federal Energy Regulatory Commission and, to my knowledge, are not available on the DCS.

Hazel Smith, Licensing Assistant
Operating Reactors Branch #5
Division of Licensing
