FREEDOM OF INFORMATION
ACT REQUEST

FOIA-82-420
Rec'd 9-8-82

Mr. William J. Dircks
Executive Director for Operations
United States Nuclear Regulatory Commission
Washington, D.C. 20555

Re: Freedom of Information Act Request

Dear Mr. Dircks:

Under the provisions of the Freedom of Information Act, 5 U.S.C. 522, I am requesting access to copies of the responses to my FOI request for copies of the "Quarterly Report of Transfer of Devices Distributed Under General License" filed by the Ohmart and Texas Nuclear corporations. This request refers to FOIA 82-A-12 (FOIA-82-263), a copy of which is enclosed.

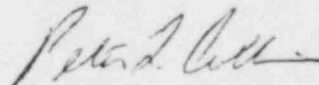

I appreciate that the companies consider this information to be proprietary, and I do not intend to appeal this final agency ruling, but I do want copies of the denials filed by the two companies for my records..

If there are any fees for searching for, or copying, the records I have requested, please supply the records without informing me if the fees do not exceed \$5.00.

If all or any part of this request is denied, please cite the specific exemption that you think justifies your refusal to release this information and inform me of the appeal procedures available to me under the law.

I would appreciate your handling this request as quickly as possible. Thank you very much for your time and consideration.

Sincerely,

Peter L. Collins
Research Associate
