IN RESPONSE REFER
TO FOIA-82-416

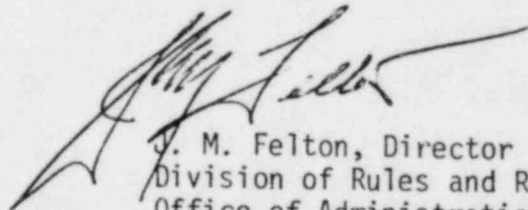

Dear Dr. Johnson:

This is in response to your letter dated September 1, 1982 in which you requested, pursuant to the Freedom of Information Act, a copy of the Report to the U.S. E.P.A., "Plutonium and the Human Tissues Related to Smoking, Age, Residence Near Rocky Flats and Eastern Colorado" and any related documents.

During a September 24, 1982 telephone conversation with Mr. Stephen Isaacs of my staff you were informed that the draft report you requested was not formally submitted to the NRC and has not been made part of the Clinch River Breeder Reactor Docket File. No other documents were transmitted to NRC staff. You were also informed that the NRC has referred your request to the Environmental Protection Agency (EPA) for disclosure determination and direct response to you. A copy of that letter is enclosed.

This completes NRC action on your request.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
