Mr. James V. Zimmerman, Assistant Director
Export/Import and International Safeguards
Office of International Programs
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Zimmerman:

Subject: Application for Export License for Canada

Attached is our application to export depleted UO_2 pellets to Canada for equipment verification.

The pellets are ready and scheduled for export September 24, 1982. Accordingly, we will appreciate having the 15 day waiting period waived.

Sincerely yours,

M. M. Hersch
International Business Development
