Dear Mr. Berndt:

Jim Lieberman of my office asked that I send you Nuclear Pharmacy Incorporated's response (with 28 exhibits, dated October 22, 1979) to 1979 NRC Notices of Violation and of Proposed Imposition of Civil Penalties and the NRC's Order Imposing a Civil Monetary Penalty (with cover letter, dated February 24, 1982) resolving this civil penalty matter. The Order Imposing a Civil Monetary Penalty was published in the Federal Register at 47 Fed. Reg. 9115 (March 3, 1982). I also enclose several letters from Nuclear Pharmacy's counsel (dated December 7 and 26, 1979, February 5 and March 4, 1980) that further describe the company's position and a letter (dated March 5, 1982) consenting to imposition of the final civil penalty.

If you should have any further questions about this material, please call me at (301) 492-7368.

Sincerely,

Stephen G. Burns, Attorney
