Reply to a Notice of Violation
(NRC Inspection Report No. 45-23485-01)

Gentlemen:

- A. Response to Condition 11 of License No. 45-23485-01 a new Radiation Safety Officer has been appointed. The license will be corrected and compliance should be completed by August 31, 1990.
- B. Response to 10 CFR 19.11 the Title 10 Code of Federal Regulations Parts 19 and 20 are now posted where employees can observe them. The document had been in place at sometime in the past and had been lost. Compliance date June 30, 1990.
- C. Response to 10 CFR 30.41 a copy of Glenbrook license has been requested and receipt of the license was July 23, 1990.

If you have questions, please contact me at the above number.

Sincerely,

Allen Taylor
VP and General Manager
