Docket No. 40-8907

MEMORANDUM FOR: Docket File No. 40-8907
FROM: Raymond O. Gonzales
Project Manager
SUBJECT: MEETING WITH CANONIE ENVIRONMENTAL TO DISCUSS THE
RECLAMATION PLAN FOR THE CHURCH ROCK MILL
DATE: August 1, 1990

Participants: Canonie Environmental URFO
Mike Timmer Ed Hawkins
John Billiard Roy Gonzales
Joel Grimm

Background: At a meeting held on July 27, 1990, it was agreed that additional discussions between Canonie Environmental and URFO were necessary. This meeting was a result of that agreement.

Questions 9 and 10 of our June 29, 1990, letter to UNC were discussed at length. As a result, it was decided that questions 9 and 10 did not properly address the staff's concerns regarding Pipeline Arroyo. Canonie was therefore advised that NRC would review its June 29, 1990, questions and would revise those that were no longer appropriate.

A second meeting, attended by others, was held concurrent with this one to discuss the Radon Cover/Geotechnical questions in our June 29, 1990, letter. Separate meeting notes dated August 9, 1990, were prepared for that meeting.
