Gentlemen:

This refers to the visit by Messrs. J. Fisicaro and R. King of your staff to the Region IV office on August 10, 1990. This visit involved a discussion of the proposed agenda for the upcoming quarterly performance meeting. A discussion of performance indicators and the tracking of Diagnostic Evaluation Team items was also included. Region IV personnel present were Mr. T. Gwynn (part-time), T. Westerman, and P. Harrell of this office.

It is our opinion that this visit was beneficial and should facilitate the conduct of the next scheduled quarterly performance meeting (August 23, 1990).

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the NRC's Public Document Room.

Should you have any questions concerning this matter, we will be pleased to discuss them with you.

Sincerely,

Original Signed By:
Samuel J. Collins

Samuel J. Collins, Director
Division of Reactor Projects
