Gentlemen:

This letter is to acknowledge the receipt and review of changes to your emergency plan that were sent to this office by letter dated July 22, 1990.

The revisions were reviewed by our emergency preparedness staff. The proposed changes to the emergency plan appear to be acceptable, except for a typographical error in the revision to Section 6.3.3, page 10, paragraph 1, which should be corrected. The word "available" should be changed to "unavailable" in the first sentence pertaining to use of the maximum dose calculation method. This error was discussed with Mr. M. Krumland of your staff on August 22, 1990.

If you have any further questions or comments, please contact Mr. D. Blair Spitzberg at (817) 860-8191.

Sincerely,

T. F. Westerman for

Samuel J. Collins, Director
Division of Reactor Projects
