Dear Mr. MacDonald:

In response to your letter of July 25, 1990, we are pleased to respond to your request for additional information. In accordance with discussions between myself and Mr. Len Gordon of your staff, we have decided to revise our Quality Assurance Program description letter QA-78-1 to address your comments. Revised areas are identified by a vertical line in the margin. We trust that our actions will be satisfactory to resolve your comments.

If there are any additional questions or if you need more information, please contact the undersigned at (206) 874-2235.

Sincerely,

PACIFIC NUCLEAR SYSTEMS, INC.
