Gentlemen:

In reference to Non-Licensee Docket No. 999-90063, be advised that i am now aware of the reasons for the violations that I have been charged with, and the following corrective measures have been taken by me to insure that this does not happen again.

1. All of the radio active materials in the box were shipped back to the country of origin;Yugoslavia.The entire box was sent back; nothing was kept in the United States.  
 The box with all of its contents(RIA Tg ab kits)were sent back on 8-4-90.
2. The Manufacture<sup>R</sup> of these kits <sup>was</sup> ~~was~~ informed that I would no longer be bringing these kits into the United States.
3. I will no longer be involved in the testing, importing, buying or selling of such or similar tyes of kits that are radio active. In fact I will not be involved in any such activity that is in violation of Federal regulations.

Sincerely,

Thomas Kralian
