SAFEGUARDS INFORMATION

Docket Nos. 50-275 and 50-323

Pacific Gas and Electric Company
77 Beale Street
San Francisco, California 94106

Attention: Mr. J. D. Shiffer, Senior Vice President
and General Manager
Nuclear Power Generation Business Unit

Gentlemen:

This acknowledges the receipt of your letter dated February 23, 1989, by which you submitted a 10 CFR 50.54(p) change to Revision 16 of the Diablo Canyon Power Plant, Units 1 and 2, Physical Security Plan, dated March 1984. We have determined that portions of these plan changes are consistent with the provisions of 10 CFR 50.54(p) and are therefore acceptable. However, as indicated in the enclosure, certain other portions decrease plan effectiveness and are therefore inconsistent with the provisions of 50.54(p). You should resubmit corrected plan pages in accordance with 50.54(p) or submit a request for plan change subject to 10 CFR 50.90.

Elements of Revision 16, dated February 23, 1989, at the enclosure hereto, which were found unacceptable, were discussed between Mr. R. McDevitt, PG&E, and Mr. Dennis Schafer, NRC Region V, on September 7, 1990 and between Mr. Ron Todaro, Security Manager, PG&E, and Mr. Richard Rosano, NRC Region V, on September 20, 1990. In the latter conversation, it was agreed that until a plan change is approved, all future access authorizations for PG&E employees will conform to the commitments in the previously approved plan. Furthermore, it was agreed that within sixty days, PG&E will submit the necessary information and requests to the California Department of Motor Vehicles for those individuals currently authorized access whose authorizations were granted without a check being made of DMV records. If there are difficulties meeting this schedule, contact me.

The enclosure to this letter contains Safeguards Information which is required to be protected against unauthorized disclosure in accordance with 10 CFR 73.21.

The enclosures to your letter are being withheld from public disclosure because they contain Safeguards Information and must be protected in accordance with the provisions of 10 CFR Part 73.21.

If you have any questions concerning this matter, please contact D. W. Schaefer of this office at (415) 943-3785.

Sincerely,
