Dear Mr. Matthews:

We have received your September 6, 1990, transmittal of Revision B to the Ambrosia Lake Remedial Action Inspection Plan (RAIP). Although not requested by your letter, this document will be treated as predecisional and will not be released to the public. The RAIP will be held for review until the Final Remedial Action Plan (FRAP) is submitted per our Memorandum of Understanding. Please provide three additional copies of the RAIP for our review when the FRAP is transmitted.

If you have any questions, please contact D. L. Jacoby of my staff.

Sincerely,

Original Signed By:
