Gentlemen:

Subject: Enforcement Conference Report No. 030-07022/90-004

This letter refers to the Enforcement Conference held at the WRC Regional Office in King of Prussia, Pennsylvania on August 14, 1990. The meeting was attended by you and other representatives of Process Technology North Jersey, and by Thomas T. Martin, Regional Administrator, and other members of the NRC staff. It is our view that this meeting was beneficial and improved our understanding of the findings of the NRC Office of Investigations (Case No. 1-89-006) concerning information and statements provided during a previous Enforcement Conference (Enforcement Conference No. 30-07022/89-002) held in our office on April 26, 1989. A transcript of the latter Enforcement Conference is enclosed.

Enforcement action resulting from the NRC inspection (Inspection No. 030-07022/89-001) and the OI investigation (Case No. 1-89-006) will be transmitted to you by separate correspondence. In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room.

No reply to this letter is required. We appreciate your cooperation with us in this matter.

Sincerely,

Original Signed by:

John R. White, Chief
Nuclear Materials Safety Section C
