Dear Mr. Carr:

I am writing to you on behalf of my constituent, Mr. Samuel A. Trythall, Jr., who has enlisted my assistance.

It is my understanding that Mr. Trythall is concerned about the preemption of state laws regarding low-level nuclear waste. Accordingly, I would like to take this opportunity to express my interest on behalf of my constituent and to request that this case be reviewed as expeditiously as possible.

Thank you for your cooperation in this regard. I will look forward to hearing from you at your earliest opportunity.

Cordially,

  
Robert S. Walker

Dear Representative Walker:

I must ask for your help in the matter of the NRC. The recent announcement by this department that "No matter if Pennsylvania has passed legislation not allowing the disposal of low level nuclear waste in land fills, The federal government can over rule the states right."

May I remind you that states rights is what started the Civil War! For this department or any other department to overrule the states rights is nothing more then an act of dictatorship.

I know you will give this matter the attention that it deserves.

Thank You
