MEMORANDUM FOR: Docket File No. 40-8681
FROM: Dana C. Ward, Project Manager
SUBJECT: REVIEW OF LAND USE SURVEY FOR UMETCO'S WHITE MESA MILL;
1990

By letter dated September 6, 1990, Umetco Minerals Corporation (Umetco) submitted the results of the annual land use survey for the area within five miles of the White Mesa Mill. The staff review of the licensee's submission indicated the following major points:

1. The Shirtail General Store parking lot was paved in asphalt since the last land use report.
2. No other significant changes in land use have occurred since the last report of August 14, 1989.

The staff concludes that Umetco has performed an acceptable land use survey as required by License Condition No. 17 of Source Material License SUA-1358. No further action is necessary at this time.
