Gentlemen:

This is to acknowledge receipt of revisions to procedures (EP 2.0, 4.0, 5.0, 6.0, 7.0, and Appendices B, C, D, and I) which are portions of the Point Beach Nuclear Plant Emergency Plan, by your letter dated July 31, 1990. This revision was received in our office on August 6, 1990.

We have reviewed the changes to the Point Beach Nuclear Plant Emergency Plan and determined that they are consistent with the requirements of 10 CFR 50.54(q) and do not decrease the effectiveness of the emergency plan. These changes are, therefore, acceptable.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter will be placed in the NRC's Public Document Room.

Should you have any questions regarding this letter, please contact Mr. James E. Foster of my staff at (708) 790-5655.

Sincerely,
