Gentlemen:

Subject: Inspection No. 030-01253/90-01

This refers to your letter dated July 12, 1990, in response to our letter dated June 14, 1990 and to the telephone conversation between Jacinthe Richard of your staff and Steven Courtemanche of this office on August 16, 1990.

After review of your letter, it is found that additional information is required as follows:

1. Your letter does not address corrective actions taken by you in regard to Item B.3. of the Notice of Violation dated June 14, 1990.
2. Your letter does not address how you will ensure that radioactive waste is held for ten half-lives (Item A) and that the Radiation Safety Committee shall meet quarterly (Item B.1.).
3. License Condition 17.C. requires that the records for leak tests be recorded in microcuries. Item D is being downgraded to a non-cited violation. It is our understanding that all future leak test records will be recorded in units of microcuries.

We require no further information regarding Items B.2 and C. Please reply to this letter within 20 days of the transmittal date.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
