 Docket No. 50-249

Commonwealth Edison Company
 ATTN: Mr. Byron Lee, Jr.
 Vice President
 Post Office Box 767
 Chicago, IL 60690

Gentlemen:

This refers to the inspection conducted by Mr. L. R. Greger of this office on August 7-10 and 16-18, 1978, of activities at Dresden Nuclear Power Station, Units 1, 2 and 3, authorized by NRC Operating Licenses No. DPR-2, No. DPR-19 and No. DPR-25 and to the discussion of our findings with Mr. B. Stephenson and others of your staff at the conclusion of the inspection.

The enclosed copy of our inspection report identifies areas examined during the inspection. Within these areas, the inspection consisted of a selective examination of procedures and representative records, observations, and interviews with personnel.

No items of noncompliance with NRC requirements were identified during the course of this inspection.

Certain other activities, set forth in the enclosed Appendix A to this letter, appear to be a deviation from commitments which you have made in previous correspondence with the Commission. Please advise us in writing within twenty days of the corrective action you have taken or plan to take, showing the estimated date of completion with regard to this deviation.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter, the enclosures, and your response to this letter will be placed in the NRC's Public Document Room, except as follows. If the enclosures contain information that you or your contractors believe to be proprietary, you must apply in writing to this office,

within twenty days of your receipt of this letter, to withhold such information from public disclosure. The application must include a full statement of the reasons for which the information is considered proprietary, and should be prepared so that proprietary information identified in the application is contained in an enclosure to the application.

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

W. L. Fisher
