Request for Renewal
Docket No. 50-97

Gentlemen:

Cornell University hereby requests a 20-year renewal of License No. R-89 for the Zero Power Reactor whose current license expires November 21, 1978.

We will be forwarding a complete application for renewal demonstrating that the facility, its components and systems, can be safely operated over the 20-year renewal period. This application will conform to the requirements of the applicable parts of Title 10, Code of Federal Regulations, and to the specific items addressed in your letter of June 28, 1978.

Sincerely,

W. D. Cooke
Vice President for Research
