Dear Sir:

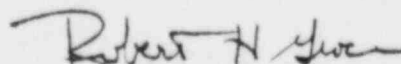

Subject: Systematic Evaluation Program Topic Review

In regard to your request, Reference (b), that we complete as much of the tabulation of information as possible, identify appropriate references, and confirm the accuracy and completeness of the tabulation; we find that we need additional time to research these tasks. Submittal of the information we have been able to obtain to date would result in a still relatively incomplete tabulation, whereas with reasonable additional time, we can greatly improve the value and accuracy of the tabulation. Therefore, we intend to submit this information 45 days later than requested.

We trust this meets with your approval.

Very truly yours,

YANKEE ATOMIC ELECTRIC COMPANY
