Note for: Scott Buchan
Office of the Inspector General
From: Kathleen Schneider
Office of State Programs
Subject: Information request of February 18, 1994

I have attached the following regulations per your request; Maryland, California, Tennessee and Nebraska. I am waiting for copies of the Louisiana and Iowa regulations from the State. I have also attached copies of comment letters for portions of the Nebraska, Iowa, and Louisiana regulations. I could find no records of detailed analysis of the Tennessee or California regulation reviews. It is my understanding that Maryland has just submitted draft regulations for NRC review last week. This review is presently being coordinated by the Regional State Agreements Officer in Region I, Craig Gordon. As soon as I complete my review of the Maryland files and receive the Louisiana and Iowa regulations, I will forward that information to you. If you have any questions, please contact me at 504-2320.
