Dear Mr. Chappell:

I am enclosing four (4) copies of SEG Drawing STD-02-077, Revision 10, "14-215 Cask Assembly" for your review. This revision was necessitated due to a duplicating problem while converting the drawing to an SEG title block format which caused an omission of some characters during the process. Although a diligent effort was made after the duplicating process to identify and correct any error of this type we failed to locate this single error which was brought to our attention by Dr. Carl Withee of your staff during his review of the drawing. We apologize for any inconvenience this may have caused during your review of our application.

If you have any questions concerning the application please contact me at (615)376-8156

Sincerely,

Timothy B. Ramsey  
Senior Engineer
