

APPENDIX A
NOTICE OF VIOLATION

Virginia Chemicals, Inc.

License No. 45-19889-01

As a result of the inspection conducted on November 3, 1982, and in accordance with the NRC Enforcement Policy, 47 FR 9987 (March 9, 1982), the following violation was identified.

License Condition 12 requires that licensed material be used by specified individuals after completion of training by an Ohmart representative.

Contrary to the above, the required training has not been conducted and licensed material has been in routine use since January, 1982.

This is a Severity Level IV Violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, you are hereby required to submit to this office within thirty days of the date of this Notice, a written statement or explanation in reply, including: (1) admission or denial of the alleged violations; (2) the reasons for the violations if admitted; (3) the corrective steps which have been taken and the results achieved; (4) corrective steps which will be taken to avoid further violations; and (5) the date when full compliance will be achieved. Consideration may be given to extending your response time for good cause shown.

Date: November 15, 1982
