Gentlemen:

This refers to the inspection conducted by Mr. R. J. Hennessey, Jr., of this office on September 5-8, 1978, of activities authorized by NRC Operating License Nos. DPR-32 and DPR-37 at Surry 1 and 2 and to the discussions of our findings held with Mr. T. L. Baucom at the conclusion of the inspection.

The area examined during this inspection was your physical protection program and its implementation. Within this area, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel and observations by the inspector.

Within the scope of this inspection, no items of noncompliance were disclosed.

We have examined actions you have taken with regard to previously identified enforcement matters. These are discussed in the enclosed inspection report.

In accordance with Section 2.790(d) of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, activities involving safeguards and security measures are exempt from public disclosure; therefore, the enclosed inspection report with the exception of the report cover page, which is an inspection summary, will not be placed in the Public Document Room.
