NOTICE OF VIOLATION

Consumers Power Company

Docket No. 50-155

Based on the inspection conducted on August 29 - September 1, 1978, it appears that certain of your activities were in noncompliance with NRC requirements as noted below. This item is an infraction.

10 CFR 20.301 prohibits disposal of licensed material except by transfer to authorized recipients, release to sanitary sewerage systems as authorized by 20.303, burial in soil as authorized by 20.304, release in effluents to unrestricted areas as authorized by 20.106, or by special approval by the Commission in accordance with 20.302.

Contrary to this requirement, demineralized water contaminated with licensed material was removed from the site between July 24 and August 21, 1978 and used by individuals who were unauthorized recipients.
