

DEC 17 1982

Docket No. 99900404/82-02

Westinghouse Electric Corporation  
Nuclear Technology Division  
ATTN: Dr. R. J. Slember  
General Manager  
P. O. Box 355  
Pittsburgh, PA 51230

Gentlemen:

This refers to the inspection conducted by R. H. Brickley of this office on October 25-29, 1982, of your facility at Monroeville, Pennsylvania, and to the discussion of our findings with H. H. Brunko and members of your staff at the conclusion of the inspection.

This inspection included the following: (1) a request from the Office of Nuclear Reactor Regulation for participation in a technical and QA programmatic audit of the generic safety parameter display system, and (2) a Westinghouse report to the Office of Inspection and Enforcement concerning reactor cooling system wide range pressure transmitter inaccuracies.

Areas examined during this inspection and our findings are discussed in the enclosed report. Within these areas, the inspection consisted of an examination of procedures and representative records, interviews with personnel, and observations by the inspector.

Within the scope of this inspection, we found no instance where you failed to meet the commitments of your Topical Report No. WCAP-8370 or NRC requirements.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within 10 days from the date of this letter of your intention to file a request for withholding; and (b) submit within 25 days from the date of this letter a written application to this office to withhold such information. If your receipt of this letter has been delayed such that less than 7 days are available for your review, please notify this office promptly so that a new due date may be established. Consistent with Section 2.790(b)(1), any such application must be accompanied by an

affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the reasons on the basis which it is claimed that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(b)(4). The information sought to be withheld shall be incorporated as far as possible into a separate part of the affidavit. If we do not hear from you in this regard within the specified periods noted above, the report will be placed in the Public Document Room.

Should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

"Original Signed by:  
U. POTAPOVS"  
Uldis Potapovs, Chief  
Vendor Program Branch
