

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

October 10, 1978

Docket Nos. 50-155
and 50-255

Consumers Power Company
ATTN: Mr. David Bixel
Nuclear Licensing Administrator
212 West Michigan Avenue
Jackson, Michigan 49201

Gentlemen:

As you are aware, the normal channel of oral communication with the Office of Nuclear Reactor Regulation, NRR, is through the assigned Division of Operating Reactors, DOR, project manager or his backup. For the Systematic Evaluation Program, SEP, this procedure will continue to be followed to the extent practical in discussions concerning schedules, requests of additional information, and other matters requiring your support. However, to expedite reviews, direct oral communication between your staff and members of the SEP Branch and their supporting staff is encouraged for purposes of exchange or clarification of technical information. Therefore, with regard to the SEP you may expect to receive calls from NRR staff members other than the project manager. If any such calls require a significant effort on your part, please inform the DOR project manager.

Sincerely,

Dennis L. Ziemann
Dennis L. Ziemann, Chief
Operating Reactors Branch
Division of Operating Reactors
