FOIA-93-136
Rec'd 3-9-93

Dear FOIA Officer:

This letter is a Freedom of Information Act request for a copy of the license application for radioactive material, and amendments to the license, held by the Michigan Chemical Corporation's St. Louis, Michigan facility until 1971.

Any radioactive material license application and/or amendments under the names Velsicol or Northwest Industries are also requested since these were parent companies to Michigan Chemical.

Please send hard copies of this requested information. If there is a charge for this request, please call me at (708) 955-6764.

Thank You,

Rita Vassilakis
Project Engineer
