In the Matter of
Indiana Regional Cancer Center
Byproduct Material License No. 37-28179-01
Docket No. 030-30485-EA

Dear Administrative Judges:

On March 1, 1994, I received "Motion to Eliminate Basis for Suspension," filed by the Indiana Regional Cancer Center (licensee) and Dr. James E. Bauer, dated February 28, 1994, mailed via UPS next day air. Included in the UPS envelope were envelopes addressed to each Board member, as well as to the adjudicatory file, Office of the Secretary, and the Atomic Safety and Licensing Board Panel. I am, therefore, forwarding to each Board member his respective envelope. In addition, I will forward to the appropriate office the remaining three envelopes.

Sincerely,

Marian L. Zobler
