**NRC STAFF'S MOTION  
FOR EXTENSION OF TIME**

Pursuant to 10 C.F.R. § 2.730, the NRC Staff ("Staff") hereby requests an extension of time for the filing of responses to the "Motion for Summary Disposition" filed by Intervenor Ohio Citizens for Responsible Energy ("OCRE") and Susan L. Hiatt on February 7, 1994. In support of this request, the Staff states as follows.

On February 16, 1994, the Licensing Board issued an Order establishing a schedule for the filing of responses to Intervenor's Motion, in accordance with an earlier conference call. That schedule contemplated that the Staff would file a response to Intervenor's Motion by March 2, 1994; the Licensee would file its response and a cross-motion for summary disposition by March 9, 1994; and the Intervenor would reply to the Licensee (and Staff) within 21 days after the Licensee's motion is filed.

Due to the unavailability of certain members of the Staff this week, the Staff requires a brief extension of time for the filing of its response to the Intervenor's Motion. The Staff has

discussed this matter with Counsel for the Licensee and Ms. Hiatt, and is authorized to state that the parties have agreed to the Staff's request for an extension, so long as their response times are also adjusted, as follows: Staff response to Intervenor's Motion due March 7, 1994; Licensee's response to Intervenor's Motion and Licensee's cross motion due March 21, 1994; Intervenor's reply to Licensee (and Staff) due April 11, 1994.

Wherefore, the Staff respectfully requests an extension of time for the filing of responses to Intervenor's Motion, as set forth above.

Respectfully submitted,
