Dear Carol,

To complete the request to add Dr. Ntambi to your license, please submit the following:

1. Dr. Ntambi was added to the Arkansas license in 2012; a period of great than 7 years ago. Please provide documentation from the Arkansas licensee indicating the period of time that he practiced under their license (e.g., email from the University of Arkansas RSO).
2. The board certificate submitted was cut off. For instance "United States" would appear at the bottom of the certificate for physicians completing their training in the U.S. Please provide a copy of the full certificate.

You may submit the above information to my attention either via pdf sent to my email or via fax to 610-337-5269. Thank you for your assistance,
