Response to Motion to File Brief Amicus Curiae

On October 16, 1978 the Union of Concerned Scientists (UCS) served on the Commonwealth of Virginia a motion for leave to file a brief amicus curiae in this proceeding on appeal. The proposed brief was attached to the motion. The Commonwealth, in response to the motion states that:

1. The Commonwealth does not oppose the motion for receipt of the brief.
2. However, the Commonwealth does not concede that the Commission's rules permit the filing of such a brief, or that the procedure adopted by UCS is appropriate.
3. The Commonwealth does not concede that the general allegations of interest contained on pages 2-3 of the motion support participation by UCS in this proceeding in a capacity other than for the purpose of filing the brief in question.

Respectfully submitted,

COMMONWEALTH OF VIRGINIA
