Dear Mr. Katana:

Subject: Routine Inspection No. 030-33245/94-001

On February 4, 1994, Dr. Sattar Lodhi of this office conducted a routine safety inspection at the above address of activities authorized by the above listed NRC license. The inspection consisted of interviews with you and Mr. James Ciccocioppi of your staff.

Within the scope of this inspection, no violations were identified.

We understand that you have not started your licensed activities as yet and that currently you do not possess licensed material. We further understand that you will notify us when your facility becomes operational and you have started using the licensed materials. Please notify this office immediately in writing if our understanding is different from yours.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Docket Room. No reply to this letter is required.

Your cooperation with us is appreciated.

Sincerely,
