Docket No. 50-344

Enclosure 3

Portland General Electric Company
121 S. W. Salmon Street
Portland, Oregon 97204

Attention: Mr. Bart D. Withers
Vice President, Nuclear

Gentlemen:

Subject: Systematic Assessment of Licensee Performance

This letter is sent to confirm a meeting with your management on November 30, 1982, which was arranged through Mr. G. A. Zimmerman of your Licensing Branch. The purpose of this meeting is to discuss the Systematic Assessment of Licensee Performance (SALP), which was recently completed for your Trojan Nuclear Plant for the period July 1, 1981 through August 31, 1982. The meeting is scheduled to begin at 10:00 a.m. in the Region V office. An agenda for the meeting is enclosed.

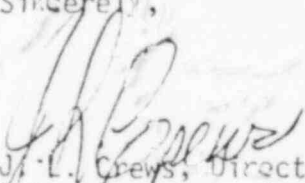

Expected meeting attendees from NRC are listed on the enclosed meeting notice. Anticipated Portland General Electric Company attendees are also listed, as provided by Mr. Zimmerman, although other members of your management may attend as you desire.

A copy of our report of this assessment is also enclosed. A written response is not required. You will have an opportunity to provide comments on the report during our November 30 meeting, and may submit written comments within twenty days thereafter.

Following our meeting and receipt of your response, if any, the enclosed report, your comments, and a summary of our findings and planned actions will be placed in the NRC Public Document Room.

Your continued cooperation is appreciated.

Sincerely,

J. L. Crews, Director
Division of Resident, Reactor
Projects and Engineering Programs
