ATTN: Mr. John D. Kinneman
RE: USNRC Material License
Number 37-18339-01
Subj: License Termination

Gentlemen:

We request termination of the above referenced license for possession and use of special nuclear material in sealed sources contained in devices used in industrial measuring systems.

We previously notified you of the transfer of all our devices to licensed testing laboratories.

If you have any questions or comments, please contact me at (412) 384-1329.

Sincerely,
