In the Matter of
Virginia Electric and Power Company
(North Anna Nuclear Power Station, Units 1 and 2)
Docket Nos. 50-338 OL & 50-339 OL (Proposed
Amendment to Facility Operating License
NPF-4 to Permit Storage Pool Modification)

Dear Mr. Kroot:

This is to confirm our meeting set for Wednesday, November 1, 1978 at 9:00 a.m. in Room P-114 in the Phillips Building, 7920 Norfolk Avenue, Bethesda, Maryland to discuss the contentions advanced by the Citizens' Energy Forum in its intervention pleadings. Counsel for the Applicant will join the discussion at 11:00 a.m. in an effort to arrive at some formal agreement on the admissibility of the contentions in the captioned proceeding.

Sincerely,

Steven C. Goldberg
