Dear Dr. Wald:

Subject: Combined Inspection Nos. 030-02945/93-001; 030-29418/93-001; and
030-22055/93-001

This letter refers to your December 22, 1993 and February 18, 1994 correspondence, in response to our November 17, 1993 letter.

Thank you for informing us of the corrective and preventive actions documented in your letter. These actions will be examined during a future inspection of your licensed program.

With respect to Item B, we have reviewed your responses and have concluded that you were not in violation. We note that you have clarified your procedures for emergency training with regard to your HDR. The physician and medical physicist in attendance and the unit operator will receive annual training on emergency procedures including "hands-on" training.

Your cooperation with us is appreciated.

Sincerely,
