SUMMARY

Informed Mr. Stawter that NRC OBC has no objection to NRC staff cancelling the original Surety Bond, as requested by KM. Informed him I would cancel bond + mail to km by 2/26/93. We also discussed revised DFP being prepared by km in response to my verbal RAI. Jeff Lux briefly described revised DFP, which included changes in the projected waste disposal cost and construction cost for anticipated disposal cell (20,302). KM believes that these revisions, based on more detailed evaluation of work completed to date and current conditions at the Cushing Site, would show that the original \$2.125 M would include an a contingency of $\approx 20\%$ and should satisfy NRC requirements. KM stated that Revised
