Dear Chief:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, et seq., the National Whistleblower Center (NWC) hereby requests a copy the following:

Any and all lists that describe and/or list NRC Office of Investigations (OI) reports for calendar years 1991 and 1992.

This request is not limited to information related to any particular region.

As you are aware, the FOIA requires you to release documents in segregable portions in the event they contain exempt material. For any documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld.

We also ask that all fees be waived because the information requested will contribute significantly to the public's understanding of the operations or activities of the government and/or is primarily in the public interest and is not in the commercial interest of the requester. The National Whistleblower Center is a tax-exempt, non-profit organization. The purpose of the NWC is to assist whistleblowers to bring allegations of corporate wrongdoing and/or government corruption to the attention of the public. See, FOIA-91-114.

The NWC intends to utilize the information received from the NRC pursuant to this request in the NWC's ongoing study of the NRC's inspection of wrongdoing at nuclear power facilities or our
