IN RESPONSE REFER
TO FOIA-82-514

Dear Mr. Short:

This is in response to your letter dated October 26, 1982, in which you requested, pursuant to the Freedom of Information Act, documents between the NRC and Northern States Power Company concerning the discovery and repair of cracks in recirculation piping at NSP's Monticello nuclear power plant.

Appendix A is a list of documents responsive to your request. You will find these documents enclosed.

This completes NRC's action on your request.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
