Docket No. 030-02283

Dear Sister Foto:

SUBJECT: NOTICE OF VIOLATION DATED DECEMBER 3, 1993

This acknowledges receipt of your letters dated December 21, 1993 and February 9, 1994, in response to our letter dated December 3, 1993, transmitting a Notice of Violation.

Your response indicates that you will file an application for an amendment to achieve corrective action for Violation No. 3. Requests for amendments to modify or add commitments and procedures are not effective until an amendment has been issued authorizing those changes. Therefore, we caution you regarding implementation of any new procedures before they have been approved by the NRC. Your corrective actions for the remaining violation appear adequate and will be examined during future inspections.

Sincerely,

John A. Grobe, Chief
Nuclear Materials Inspection
