Diablo Canyon
Docket No. 50-275

Licensee Emergency Classification:
 Notification of Unusual Event
 Alert
 Site Area Emergency
 General Emergency
 Not Applicable

Subject: BOMB THREAT

On December 29, 1982 at 9:34 p.m., PST, the General Construction Security Office at Diablo Canyon received a telephone call from a male caller. The caller stated: "This is no joke. There is a bomb in Containment I due to go off at midnight".

As a precautionary measure, the licensee evacuated Unit I Containment. A search of Containment by site Operations Security Personnel met with negative results.

Licensee notified San Luis Obispo County Sheriff Office (LLEA), and NRC Headquarters Duty Officer. LLEA notified FBI (Santa Maria, CA).

No press release is planned by the licensee or Region V.

The IAT was initially notified by HQ Duty Officer, and again by Region V at 9:40 a.m. PST, December 30, 1982.

This Preliminary Notification is issued for information only and no further action by IE is anticipated.

This information is current as of 9:30 a.m., December 30, 1982.

The Region V (San Francisco) Duty Officer received notification of this matter by telephone from the HQ Duty Officer at 11:00 p.m., PST, December 29, 1982.
