Dear Sir:

Subject: I&E Bulletin No. 78-12 Response Time Extension

Yankee has contracted the pressure vessel fabricator to provide record searches as requested in I&E Bulletin No. 78-12. Recent discussions with the fabricator indicate the need for additional time. Based on present estimations from the contractor, including Y-NSD review of their data, we anticipate this information will be available not later than January 31, 1979.

We trust this schedule is acceptable to you.

Very truly yours,

YANKEE ATOMIC ELECTRIC COMPANY
