Gentlemen:

This refers to the meeting held on October 2, 1978, at the Zion Nuclear Power Plant at Zion, Illinois, between Mr. James G. Keppler and others of this office and you and others of your staff for the purpose of discussing activities at the three operating Commonwealth Edison Nuclear Generating Stations.

The enclosed copy of our meeting report identifies areas discussed during the meeting.

No items of noncompliance with NRC requirements were identified as a result of this meeting.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed meeting report will be placed in the NRC's Public Document Room, except as follows. If this report contains information that you or your contractors believe to be proprietary, you must apply in writing to this office, within twenty days of your receipt of this letter, to withhold such information from public disclosure. The application must include a full statement of the reasons for which the information is considered proprietary, and should be prepared so that proprietary information identified in the application is contained in an enclosure to the application.
