

JAN 4 1983

Docket No. 50-341

The Detroit Edison Company
ATTN: Mr. Donald A. Wells
Manager, Quality Assurance
2000 Second Avenue
Detroit, MI 48226

Gentlemen:

This office has received a request from a member of the public for certain QA documents which have come into our possession during inspections at the Fermi 2 site. We plan to provide copies of the documents as requested, unless there are proprietary or other valid reasons why they should be withheld from public disclosure.

The documents which have been requested are listed below. Please inform this office within seven days following receipt of this letter if there are reasons why copies of the documents should not be furnished to the requestor.

- a. Deviation Disposition Request (DDR) No. 1757, dated May 9, 1982.
- b. DDR No. 1879, dated August 19, 1982.
- c. L. K. Comstock Memorandum No. 5-82-6, dated May 21, 1982.
- d. L. K. Comstock Memorandum No. 7-82-8, dated July 19, 1982.
- e. Field Surveillance Correction Report No. 2851, dated August 23, 1982.

Your cooperation in this matter is appreciated.

Sincerely,

R. L. Spessard, Director
Division of Project and
Resident Programs
