PARTICIPATION IN THE CONFERENCE OF RADIATION CONTROL PROGRAM DIRECTORS, INC'S (CRCPD) WORKING GROUP TO IMPROVE PROMULGATION OF THE SUGGESTED STATE REGULATIONS

As discussed on March 11, 1994, I appreciate your agreeing to assist in the CRCPD's efforts to improve the CRCPD's promulgation of the Suggested State Regulations. The present system involves 22 steps and is unyielding. Kathy Schneider, of my staff discussed your office's participation with Ray Paris, State of Oregon, who is heading this review. Mr. Paris has proposed a meeting for 9:00 a.m., April 11, 1994 at the Conference's offices in Frankfort, Kentucky. The CRCPD will have two members of the Office of the Executive Director who presently coordinate the SSR effort participating and the FDA representative, Howard Goldstein will attend. Specific meeting details will be provided to us shortly, which we will provide to you. Please contact me or Kathy Schneider at 504-2320 if you have any additional questions. I appreciate your office's support in this effort.
