

205

UNITED STATES  
NUCLEAR REGULATORY COMMISSION

WASHINGTON, D. C. 20555-0001

MAR 14 1994

IA 94-002

Mr. William K. Headley  
(Address Deleted)

Dear Sir:

SUBJECT: ORDER REQUIRING NOTICE TO CERTAIN EMPLOYERS AND  
PROSPECTIVE EMPLOYERS AND NOTIFICATION OF NRC OF  
CERTAIN EMPLOYMENT IN NRC-LICENSED ACTIVITIES  
(EFFECTIVE IMMEDIATELY)

The enclosed Order is being issued because of your violations of 10 CFR 30.10 of the Commission's regulations as described in the Order. The Order requires that you: 1) inform NRC if, within two years from the date of this Order, you are involved or become involved in NRC-licensed activities at any employer other than Morgan County Memorial Hospital, and 2) provide a copy of the Order to any such employer or potential employer. Failure to comply with the provisions of this Order may result in civil or criminal sanctions.

Also as a result of your actions, a civil monetary penalty of \$9,750 was assessed against your employer. A copy of that enforcement action is also enclosed.

On September 16, 1991, the NRC revised its regulations to allow orders to be issued directly to unlicensed persons who, through their deliberate misconduct, cause a licensee to be in violation of NRC requirements, or who deliberately submits material false or incomplete information to the NRC or any licensee or its contractors. Similarly, an order may be issued to such an individual preventing him or her from engaging in licensed activities at any NRC-licensed facility. A copy of this rulemaking is enclosed.

Similar conduct by you in the future could result in more significant enforcement action against you as an individual, including an Order preventing you from engaging in licensed activities at all NRC facilities. Violation of 10 CFR 30.10 may also lead to criminal prosecution.

Questions concerning this Order should be addressed to Mr. James Lieberman, Director, Office of Enforcement, who can be reached at (301) 504-2741.

Mr. William K. Headley

2

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be placed in the NRC Public Document Room.

Sincerely,

Hugh L. Thompson, Jr.  
Deputy Executive Director for  
Nuclear Materials Safety, Safeguards  
and Operations Support

Enclosures: As Stated
