Gentlemen:

In reply to your letter of May 31, 1978, I am agreeable to the "LNG Practices" enclosed with your letter and will follow the six practices covered. The first five of these practices are already covered in operations plans or contingency plans. The sixth, which is notification to your agency of any change will be incorporated in our documents.

For any modification of these practices in an urgent situation, our OPLAN calls for notifying you. We have noted the telephone numbers which you furnished in your letter.

A handwritten signature in cursive script that reads "K. B. Schumacher".
