SUBJECT: WASTETRAK Topical Report
Name Change of Owner

DOCKET No: WM-53

Dear Mr. Lahs:

We wish to notify you that effective January 6, 1994 ABB Impell Corporation, the owner of the low level radioactive waste management program WASTETRAK, became VECTRA Technologies, Inc. Our address and telephone numbers remain unchanged. Contact personnel remain the same.

As the above action is only a change of the owner's name, Proprietary Information designation based on 10 CFR 2.790 (6)(4) is not applicable. There are no outstanding fees due the NRC as of the date of our name change.

Please change the existing project file/docket to reflect the above name change. Any future correspondence related to the subject TR shall be addressed to VECTRA Technologies, Inc.

Should you have any questions regarding the above action, please call Ms. Carole Davis at (404) 441-5183 or me at (404) 441-5355.

Very truly yours,

Anthony L. Patko
Project Manager
